SIR,

With reference to your letter No 5214/Ml 47-11-73 dated 31st Ultimo anent the delay in the submission of Municipal accounts, I have the honour to state that the Municipal Annual Accounts for 1910-11 were submitted to Government with my letter No. 4483/L A D 415 dated 1st Instant. The delay in the submission of these accounts was mainly due to the non-receipt of information from the Presidents explaining the differences between their figures and those contained in the Treasury Accounts.

2. The delay that occurred in the submission of accounts for 1910-11 will be avoided in future and arrangements will be made to submit the annual accounts before the end of December as directed by Government.

3. As regards the submission of the monthly abstracts from July 1911, I have the honor to observe that the Presidents of the City Municipalities and Deputy Commissioners are not submitting their accounts duly verified with the Treasury figures on the due dates. The accounts of the Shimoga District from Jul 11 are not, as yet, received in spite of several reminders issued for their early transmission. The Deputy Commissioners of Mysore

Administration

Bangalore have sent their accounts only in an incomplete state, and the verification statements called for explanation of the differences between the Treasury and their accounts have not yet been received

4 It will thus be seen that the delay in the submission of the monthly abstracts to Government is mainly caused by the Deputy Commissioners' non-compliance with the requisitions issued from this office and I would, therefore, request that necessary orders may be issued by Government for the submission of the monthly accounts on the due dates, viz, before the end of the month following that to which they relate, duly verified with the Treasury figures in accordance with the instructions issued from this office

5 The abstracts^x for July for the marginally noted Districts are herewith submitted and those relating to the other three Districts, viz Shimoga, Mysore and Bangalore, for July as well as the abstracts for the succeeding months now overdue will be sent at an early date

I have the honor to be,

Sir,

Your most obedient servant,
